

# BOARD GAME EVENING

25.02.2017

On Saturday 25<sup>th</sup> February, our students took a trip to a local board game café in Gloucester Green. Located in Oxford, Thirsty Meeples (the café) has over 2,500 board games available to play.

Students divided into two groups, one group playing Monopoly and another playing traditional Chinese board games and card games. Thirsty Meeples offers a wide selection of hot and cold drinks to enjoy alongside the board games.

Students spent several hours in the café. Monopoly culminated in the glorious victory of Mollie and Nina, and the card game continued even longer than Monopoly!

We hope our students enjoyed this trip!
