

Cherwell College Oxford

Class of 2017

Graduation Dinner

Last Friday we celebrated our 2017 Leavers with a barbeque held at our boarding residence, Cherwell House (www.cherwell-college.co.uk/boarding), attended by the students, tutors and staff of Cherwell College Oxford.

We were incredibly lucky with stunning weather during the entire evening. Our in-house chefs prepared a delicious meal.

The atmosphere was jolly and full of enchanting discussions/ Entertainment for the night included an operatic performance of "Death of Nelson" by our Physics tutor Julian. The last words of Nelson were inspiring and enjoyed by all.

Our students have had a busy academic year, and we look forward to their further academic successes and accomplishments in the future.

Congratulations Class of 2017!
