

## CHERWELL COLLEGE OXFORD

# Open Day Success!

On Saturday 6<sup>th</sup> May, Cherwell College hosted an Open Day. This was a chance for parents and interested students to look around the school, as well as an opportunity for Cherwell to display the work of our dedicated tutors and students.

We had three speakers from Cherwell throughout the day: Cyrus, our dedicated Geography tutor and DPhil candidate at Brasenose College, spoke about the Oxbridge admissions process; Cathy, our experienced English tutor and resident LNAT expert, spoke about preparation for University interviews and admissions tests; Katherine, our multi-talented Biology and Chemistry tutor, gave a taste of Cherwell tutorials in her presentation entitled '[Why Science?](#)'.

During the day we also had a guest speaker, Dan, from the New College of the Humanities in London. Dan gave two excellent talks, one on the value of humanities and another one game theory.

We'd like to thank all of the speakers who came to our Open Day – we hope both our current and prospective students found their talks engaging and exciting!

If you missed our Open Day but would like to hear more about what we do here at Cherwell College, please get in contact on +44 (0)1865 242670 or [secretary@cherwell-college.co.uk](mailto:secretary@cherwell-college.co.uk).
